19 April, 2021

Dear **Kunal Bhardwaj**

We are pleased to inform you that you have been selected for Anti Phishing Internship at Anti Cyber Crime Society. We feel confident that you will contribute your skills and experience to help us reach a CYBER AWARE community. The date of commencement is 20 April, 2021 & it will terminate after a period of one month.

During this internship, all the guidance & support will be provided by the Team whenever required. Your task will be to submit 25+ illegitimate links (phishing, spam, etc.) & our Team will check those for their validity & based on that you will be given the following perks on successful completion of the internship:-

- **Letter of Appreciation**
- **Internship Certificate**
- **Position-** You can add your position as 'Anti Phishing Intern' at Anti Cyber Crime Society in your social media profiles (until the internship ends).
- **Intern of the Month-** Shout-out to the most hard-working intern on our Social Media Handles.
- **Long term benefit-** Get an opportunity to join our Anti Phishing Reporting Team on a long term basis.

NOTE: This is an unpaid internship as we are a Non-Profit Organization.

Congratulations and we are looking forward to working with you.

Urvesh Thakkar

Sincerely,
Urvesh Thakkar
